

IE Consulting has a vacancy for a Hydrogeologist with a minimum of 1- 2 years' experience, based at our Carlow office to work within a small specialist Groundwater team on a variety of projects, ranging from new source development, groundwater monitoring and discharge to groundwater for a range of clients across the public and private sectors. The Groundwater team also assists the Drainage and Flood Risk teams within IE on multidisciplinary projects. A current clean Full driver's licence is essential as most projects involve some time on site, for which a company vehicle will be provided.

The successful candidate will be offered a competitive remuneration package commensurate with experience and qualifications.

Please forward CV to info@iece.ie marked Hydrogeologist Position
