

Junior Geologist (x2) – Group Eleven Resources Corp.

Location: Kilpeacon, Co. Limerick

Employment Type: Full-time

Start Date: 15th June 2026 (or sooner)

Group Eleven Resources Corp. is a mineral exploration company focused on advanced-stage zinc exploration projects in Ireland. The company's activities are primarily centred on south-west Ireland, with a particular focus on its Ballywire and Stonepark projects.

We are looking for two **Junior Geologists** to join our team at our premises in Kilpeacon, Co. Limerick. Having recently completed a \$12M financing round, Group Eleven is targeting approximately 70,000m of drilling across all projects by the end of 2027. We are now hiring additional technical staff to support this ambition.

Qualifications

This role would suit a recent graduate in Geology or Earth Science who is looking to begin a career in mineral exploration and has the following qualifications/attributes:

- Bsc/Msc in Earth Science
- Strong organisational skills and attention to detail
- Comfortable working in outdoor environments
- Good communication skills and ability to work as part of a team
- Full, clean EU driving licence
- Previous mineral exploration, geotechnical, economic geology, or fieldwork experience is an advantage, but not essential

Key Responsibilities

- Assisting geologists and senior geotechnician in daily field operations
- Carrying out geotechnical and geological logging of core
- Cutting core samples and preparing them for dispatch to the laboratory
- Supporting drilling programmes – including core collection and liaison with contractors and landowners
- Ensuring compliance with company safety protocols and environmental standards

How to Apply

Please submit your CV and a **brief** cover letter to David Furlong at d.furlong@groupelevenresources.com, with the subject line "*Junior Geologist Application – Group Eleven Resources*", no later than 5pm on **29th May 2026**.

Please note that preference will be given to candidates who are living in, or are willing to relocate to, the Limerick/Tipperary area, but we encourage application regardless.
