

Project Geologist – Group Eleven Resources Corp.

Location: Kilpeacon, Co. Limerick

Employment Type: Full-time

Start Date: 15th June 2026

Group Eleven Resources Corp. is a mineral exploration company focused on advanced-stage zinc exploration projects in Ireland. The company's activities are primarily centred on south-west Ireland, with a particular focus on its Ballywire and Stonepark projects.

We are looking for a **Project Geologist** to join our team at our premises in Kilpeacon, Co. Limerick. Having recently completed a \$12M financing round, Group Eleven is targeting approximately 70,000m of drilling across all projects by the end of 2027. We are now hiring additional technical staff to support this ambition.

Requirements

- Bsc/Msc in Geology/Earth Science & **5+ years** practical experience in mineral exploration
- Special expertise in drill core logging, preferably of carbonate rocks
- Full, clean EU driving licence
- Exceptional organisational, communication and interpersonal skills
- Strong critical thinking and problem-solving abilities
- Excellent report writing skills
- Ability to work flexibly and manage multiple priorities in a team-based environment
- Experience in carbonate-hosted Pb-Zn (Cu-Ag) deposits is an advantage
- Proficiency in industry-standard software, particularly Leapfrog and/or QGIS

Role Description

The successful candidate will participate in the planning and implementation of the company's exploration programmes in Ireland, including but not limited to:

- Drill programme planning and execution
- Core logging and sampling
- Geological interpretation and modelling
- Data management and reporting
- Assisting in the production of technical reports
- Contributing to special projects and other related duties as required

How to Apply

Please submit your CV and a **brief** cover letter to David Furlong at d.furlong@groupelevenresources.com, with the subject line "*Project Geologist Application – Group Eleven Resources*", no later than 5pm on **29th May 2026**.

Please note that preference will be given to candidates who are living in, or are willing to relocate to, the Limerick/Tipperary area, but we encourage application regardless.
